

BaseController

```
classDiagram
    class BaseController
    class DigitalInputTestController
    DigitalInputTestController --|> BaseController
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'BaseController'. Below it is a gray rectangular box labeled 'DigitalInputTestController'. A vertical blue line connects the bottom of the gray box to the bottom of the white box, ending in a blue arrowhead pointing upwards towards the white box, indicating that 'DigitalInputTestController' inherits from 'BaseController'.
